

**DISTRIBUTOR PRODUCT RECALL NOTICE****3M™ Model SWSW Series Mobile SkyWalk Horizontal Lifeline Systems and Components**

September 24, 2014

Dear 3M Distributor:

As you are aware, on September 12, 2014 3M issued a Stop Use And Product Recall Notice for Model Number SWSW Series Mobile SkyWalk horizontal lifeline system, advising users (i) that they must immediately identify, stop use, and quarantine all Mobile SkyWalk horizontal lifeline systems, and (ii) that a product recall would be forthcoming. This system was previously sold under the name Aearo Technologies Mobile SkyWalk system and or SafeWaze Mobile SkyWalk system. 3M acquired Aearo Technologies / SafeWaze in April 2008.

*Sample diagram of SWSW Series Mobile SkyWalk horizontal lifeline system. Not all components are reflected in this diagram.*

**3M has chosen to voluntarily recall the products impacted by this issue and again requests that you immediately identify, stop use, and quarantine all Mobile SkyWalk horizontal lifeline systems. All Mobile SkyWalk horizontal lifeline systems sold from January 01, 2003 to September 12, 2014 are affected by this recall notice.**

We request that the following steps be implemented by your company:

1. Immediately identify and quarantine all 3M SWSW Mobile SkyWalk systems and components within your distributor inventory. Two primary components used in the Mobile SkyWalk lifeline system are the SWSW-08A Aluminum Stanchion Post and the SWSW-18 Power Brake Energy Absorber and are depicted in the image above. The SWSW-18 and if also purchased the SWSW-08A are required to be returned to initiate the product credit process. Component parts will be fully credited at current distributor pricing with proof of inventory and disposal. A full list of parts affected is attached to this document, along with several product images.
2. Return product with completed Product Return Form to:

**Montage Inc  
912 Industrial Drive  
Milbank, SD 57252  
RGA# SWSW914  
Attn: Barb Bear**

3. Complete the distributor section of the Product Return Form and then provide the Product Return Form and the Customer Product Recall Notice to your customers that have purchased the 3M SWSW Mobile SkyWalk horizontal lifeline systems or components. Product credit will only be issued to the authorized distributor indicated on the return form.
4. Customer completes the Product Return Form and sends the shipment back as per Product Return Form instructions.

3M remains committed to providing high quality products and services to our customers. We sincerely apologize for any inconvenience that this situation may cause you or your customers. If you have any questions, require assistance with product identification or prefer 3M contact your customer directly, please contact Ray Mann by calling 704-743-2406 or via e-mail at ray.mann@mmm.com, or Michael Cameron by calling 704-743-2405 or via e-mail at michael.cameron@mmm.com.

Thank you for your continued support and use of 3M products and services.

Sincerely,

---

## 3M™ Mobile Skywalk - Product Recall List, September 2014

Category	Part Number	UPC Number	Stock Number	Marketplace Formal Name	Description	Picture
Anchorage Connectors	SWSW-06	10078371004191	70071528015	3M™ Mobile Skywalk Horizontal Lifeline System Stud Bracket SWSW-06, 1 ea/case	The Stud Bracket has a receiver sleeve for the Aluminum Post Stanchions. The Stud Bracket may be attached to the base of a rebar cage, around the top of a concrete column, or through a concrete wall.	
Anchorage Connectors	SWSW-06X	10078371007550	70071528031	3M™ Mobile Skywalk Horizontal Lifeline System Flat Surface Weld Stud Bracket 1 ea/case	The Flat Surface Weld Bracket is a weldable version of the Stud Bracket SWSW-06. It is constructed with 3/4 inch thick, 14-1/2 by 8 inch zinc plated steel, and Schedule 80 pipe as the receiver sleeve for the Aluminum Post Stanchion.	
Anchorage Connectors	SWSW-13	10078371004221	70071528106	3M™ Mobile Skywalk Horizontal Lifeline System PVC Sleeve SWSW-13, 1 ea/case	The PVC Sleeve is 12 inches tall with a 4 inch inside diameter, and constructed of 4 inch Schedule 40 PVC. PVC Sleeve is cast into concrete and receives the Aluminum Posts Stanchions.	
Anchorage Connectors	SWSW-29	10078371004283	70071528171	3M™ Mobile Skywalk Horizontal Lifeline System Flat Base SWSW-29, 1 ea/case	The Flat Base, constructed with 5/8 inch Steel and Schedule 40 Pipe, is designed to mount onto flat surfaces and to be used with the Aluminum Post Stanchion. Mounting holes are for 3/4 inch Grade-8 bolts or concrete anchor; mounting hardware is not included.	
Anchorage Connectors	SWSW-08A	10078371009523	70071528049	3M™ Mobile Skywalk Horizontal Lifeline System Aluminum Post Stanchion SWSW-08A, 1 ea/case	The end/intermediate Aluminum Posts Stanchions are 7-1/2 feet long with a 3-1/2 inch outside diameter. Each post has 2 sets of 9/16 inch holes set 4 inches apart and at 90° for the SWSW-01 eyebolts (not included).	
Anchorage Connectors	SWSW-22	10078371004269	70071528155	3M™ Mobile Skywalk Horizontal Lifeline System Swivel Cap SWSW-22, 1 ea/case	The Swivel Cap is placed over the top of the Aluminum Post Stanchion creating an elevated individual anchor point. A Self Retracting Lanyard may be attached to the Swivel Cap allowing the user to work 360°.	
Anchorage Connectors	SWSW-24	10078371004276	70071528163	3M™ Mobile Skywalk Horizontal Lifeline System Skyhook Bracket SWSW-24, 1 ea/case	The SkyHook Bracket clamps to #9 or larger stirrups rebar, with two 2 inch inside diameter J-bolts, at 6-1/2 feet above the working surface. A safety strap wraps around the rebar cage, creating an anchor point at the proper height for the Mobile Skywalk.	
Anchorage Connectors	SWSW-30A	10078371013162	70071528189	3M™ Mobile Skywalk Horizontal Lifeline System Skyhook Bracket SWSW-30A, 1 ea/case	The SkyBracket is constructed with aluminum and two 30 inch threaded bars that clamp to #9 or larger stirrups rebar. Installed at 6-1/2 feet above the working surface, it creates an anchor point at the proper height for the Mobile Skywalk Horizontal Lifeline.	
Anchorage Connectors	SWPC-02	10078371004047	70071527918	3M™ Mobile Skywalk SWPC-02, 1 ea/case	10 mm Cable Lifeline Intermediate Support used with SWPC-15 and SWPC-08.	Not Available
Anchorage Connectors	SWPC-08	N/A	N/A	N/A	Runner used with SWPC-15 and SWPC-02.	Not Available
Anchorage Connectors	SWPC-15	N/A	N/A	N/A	Corner Pipe used with SWPC-08 and SWPC-02.	Not Available
Anchorage Connectors	SWSW-24XL	10078371007604	70071576162	3M™ Mobile Skywalk Horizontal Lifeline System Skyhook Bracket SWSW-24XL, 1 ea/case	Same as the SWSW-24 except the J-bolts are 3.5 inch versus 2 inch.	Not Available
Anchorage Connectors	SWSW-32	10078371010673	70071528197	3M™ Mobile Skywalk Horizontal Lifeline System Corner Post Bracket, 1 ea/case	Corner bracket for SWSW-08A post, angled bracket 12 inches length.	Not Available
Anchorage Connectors	SWSW-31	10078371008601	70071575099	3M™ Mobile Skywalk Horizontal Lifeline System Sloped Wall Bracket SWSW-31, 1 ea/case	Sloped wall bracket for Mobile Skywalk system for SWSW-08A post.	Not Available
Anchorage Connectors	SWSW-06BP	10078371010147	70071528023	3M™ Mobile Skywalk SWSW-06, 1 ea/case	Back plate for SWSW-06.	Not Available
