

WELDER NONCOMPLIANCE NOTICE

This notice is provided to document issues with a welder who has demonstrated an inability to make sound welds that do not comply with the employing contractor's project welding specifications:

Date of Notice:	
Contractor Company Name:	
Name of Contractor Representative issuing this Notice:	
Contractor Representative Phone number:	
Contractor Representative E-Mail address:	
Name of Welder:	
Welder's UA Card Number:	
Welder's Home Local Number:	
<u>Details of the issues and exact circumstances regarding the welder's inability to make sound welds:</u>	

Contractor must provide documented evidence that supports their claim of welder noncompliance. Examples would be copies of nondestructive examination/inspection reports, reports from the authorized project welding inspector or owner's representative, records of test results, pressure test reports, the applicable production weld process sheets and project welding specifications.
